Superintendent's Highlights

Portfolios

All returning certified personnel with the exception of 1st year employees have completed their portfolios and certified themselves as computer literate to meeting the state technology mandate. First year teachers will complete this requirement by mid year 2000-01.

Academic Decathlon Team

Preston High School Academic Decathlon team under the direction of Mary Heers, won State of Idaho championship and represented Idaho in the National competition in San Antonio, Texas, finishing 4th in schools of their size.

Mr. Alfred Koch, 25 years of service and John Palmer 37 years of service in the Preston School District as Administrators have made the decision to retire at the end of this year. Everyone here would like to wish them nothing but happy highways in their retirement.

Progress Towards Meeting District Goals

1999-00 Goals

Progress

Curriculum Testing:

- The District goal this year has been to continue working on the curriculum assessment testing for Social Studies, Math, Science and English. Tests have been developed and are in the process of final review, several being used as prototypes with students this spring.
- The district under the direction of Dr. Jerry Waddoups is developing a course to assist first and second year teachers in meeting a greater level of success in their classroom teaching.
- The District has developed and has had approved a course of instruction for all teachers in the reading initiative program and is working towards 100% completion of this requirement.

Building Program

During the 1998-99 school year Preston School District has completed the following three major projects.

- We have constructed a six classroom addition that can be jointly used between grades K-2 Pioneer Elementary School and grades 3-5 Oakwood Elementary.
- The refurbishing of the high school auditorium, which is also the major community cultural location. This project included painting, new curtains, new seating, new sound system and new carpet.
- The school district has completed the construction of a new all weather surface track, included purchasing new track equipment, bleachers, announcers stand and storage building.

Technology

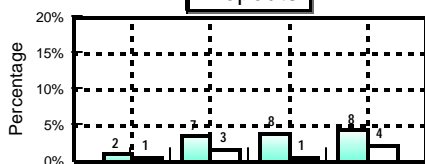

Through the assistance of the Albertson Fund, State Legislature and local dollars, the district will be able to update all employee computers, plus update 5 computer labs within the district.
